**SUBMISSION OF FEE DEFICIENCY PURSUANT TO 37 C.F.R. § 1.28(c)**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450

Sir:

In conducting a review prior to payment of the issue fee, it was discovered that the filing fee for this application was erroneously submitted as a small entity filing fee on September 14, 2006, when it should have been submitted as a large entity filing fee.

The following shows the calculation of the deficiency owed.

A. The calculation of the deficiency owed is the difference between the filing fee for an United States National Phase application including five independent claims and 25 total claims under the fee schedule in effect as of today's date, and the \$825.00 amount paid on September 14, 2006 with the filing of the application fees.
